Re: I79-170 (R79-116)

Dear Mr. Morales:

We are in receipt of your request of April 10, 1979, for an opinion relating to a policy of the Registrar of Contractors.¹ Because there is potential litigation regarding this subject which would involve our client, the Registrar of Contractors, it would be inappropriate for us to issue an opinion at this time.

Thank you for your letter and your understanding of our situation.

Sincerely,

Bob Corbin

1. That policy limits to three the number of times an interpreter is permitted to translate a contractor's licensing examination in a given year. We note that since you initiated your request, a new Registrar of Contractors has been appointed. We suggest that he be given the opportunity to review the policy which is the subject-matter of your request.
